

# Years of Pradhan Mantri Krishi Sinchayee Yojana (PMKSY)

## Context :

The Pradhan Mantri Krishi Sinchayee Yojana (PMKSY) has completed more than 10 years of advancing irrigation-led agricultural transformation through sustainable water management and the expansion of irrigation coverage.

## Pradhan Mantri Krishi Sinchayee Yojana (PMKSY)

It is a flagship irrigation scheme launched in 2015

**Vision- 'Har Khet Ko Pani' (Water to Every Field) and 'Per Drop More Crop'.**

**Objective** - It aims to provide for the integrated development and efficient management of water resources from source creation to its application at the farm level.

## Components of PMKSY

**Accelerated Irrigation Benefit Programme (AIBP)** - It improves irrigation infrastructure and availability of water.

**Har Khet Ko Pani (HKKP)** - It expands assured irrigation through minor irrigation and groundwater development.

**Watershed Development Component** - It promotes integrated watershed management in rainfed and degraded areas.

**Per Drop More Crop (PDMC)** - It promotes micro-irrigation technologies like drip and sprinkler irrigation.
